THE STEEL MILL

October 25th 2007

Dear Competitors:

The World Class Steel Fields of Steel 2007 match held on October 6th and 7th was a resounding success thanks to all of our shooters and to our generous sponsors. The staff and I would like to thank Absolute Construction and Plumbing, MGM Targets, Hi Point Firearms, Charter Arms, and our newest sponsor Russian American Armory for their support in the match. Of course we would also like to thank the Old Bridge Rifle and Pistol Club board of trustees for allowing us to use the outdoor facility for the weekend. And last but not least you the competitors for whom without, any of this would be possible.

The weather was picture perfect for the fall weekend making the match all the better. And speaking of the match itself, let's thank Danny Lisk for doing a great job of coordinating the field staff's target placement and for doing so much of the actual physical work himself.

As in the past thanks to the efforts of John Perciballi, we were again able to conduct the shooters raffle and once again award numerous firearms to the competitors. Thanks John for all the hours of work you donate to our endeavors.

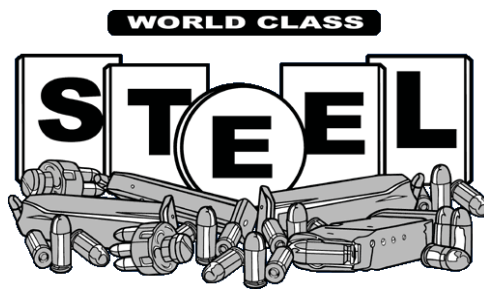

The winners of the raffle were: Steve Sherman, Charlie Coppola, Richard Streisfeld, Fred Trapassi, Bob Bertrand, Matt deVries, Roger Mancini, David Chang, Joe Konopka, Charles Chin and Herb Wreden. Congratulation to you all. The winners will need to contact John Soltesz at 732-494-0274 or by e-mail Jas197@aol.com to arrange for the transfers. Fees and taxes are the responsibility of the winners.

And now to the results of the match. The scores were compiled by Chris Buchholz on the World Class Steel Scoring Program[©], they were posted and held for 48 hours and then made final. Our thanks go out to Chris for his tireless efforts in doing the registration, match announcements, literature, scores and award certificates.

The shooting season is starting to wind down for the year and the last matches for the 2007 year for World Class Steel will be Sunday November 4th for knockdown steel and Saturday November 10th for static steel. Come out for the last matches of the season.

The dates for the 2008 season are set and applications will be up on the website as soon as we all recover form the match. There will be a few changes for the 2008 season with respect to the start times. The Speed on Steel 2008 match slated for the 13th and 14th of June will see set-up done on Thursday the 12th and the RO's shooting in the afternoon. There will be one start time, at 9:00 am, on Friday and Saturday. Sunday the 15th will be the Side Match Sunday event with a start time of 9:00 am. The Fields of Steel 2008 Pistol Knockdown Match will be held on Saturday, October 4th. Set-up for the match will be done on Thursday, October 2nd in the afternoon. The RO's will shoot on Friday, October 3rd with a 9:00 am start time. The Pistol Match will be a single session with a start at 9:00 am on Saturday, October 4th. The Fields of Steel 2008 Shotgun/Carbine match will be held the next day, as usual, on Sunday October 5th with a start time of 9:00 am. In each of these major match events you can shoot multiple guns on the same squad or, if you wish, you can sign up to shoot with the RO's.

Also we need RO's during each of these matches and we will need help setting up and taking down the stages upon completion of the match. If you would like to help, send us an e-mail at our website with your contact information. If need be, we will hold a Range officer class in late winter or early spring for all who are interested. Also, there are thoughts of holding a class for new shooters of static steel; if you or someone would be interested in taking a class to learn about shooting steel, let us know by using our contact information at our website, www.WorldClassSteel.com.

The staff of World Class Steel would like to take a moment to wish you and yours a great holiday season and thank you for all your support. Remember shoot fast but always safe and as always, its all about speed and attitude.

Best regards:
