

**Speed on Steel**  
**2015**  
**Northeast Regional Championship**

Dear Competitors:

The Staff of the Speed on Steel 2015 Northeast Regional Championship would like to thank all of the competitors and all of the sponsors that made this year's event a tremendous success. Without the sponsors and the competitors and of course the volunteer staff the championship would not be possible.

We would also like to thank the Old Bridge Rifle and Pistol Club Board of Directors for their continued support this year. We cannot thank them enough for their tireless work thru the year and their work in preparing the range for the 2015 shooting season and getting it completed in time for the championship. I am sure it was appreciated by all who attended.

The attached pages are the final results and awards for the 2015 Speed on Steel. Congratulations to go out to all of the winners. The pages will be placed on Facebook and the worldclassteel.com website among other venues.

This year saw a new 1<sup>st</sup> in the 15 years the event has been held. K.C. Eusebio of Atlanta Arms took home the top award in Open Pistol, Iron Pistol and Rimfire. His High Overall win in Open Pistol with a 73.47 was hotly contested thru the day and resulted with second place going to Dave Sevigny of FNH-USA with a score of 82.47 . Amazingly Old Bridge's own Al Surko of GT Targets placed third with a score of 91.06 .

The hours of work donated by all involved result in championship that was enjoyed by all who attended, whether they competed, help with set up and take down, R O'd or just attended. Thank you one an all and congratulation to all the winners.

Warmest Regards  
The Staff of Speed on Steel 2015
